

## Compassionate Lawyers Ease Burden of Painful Loss

“Mark and his team were with me every step of the way. I do believe God puts people in our lives in the professions we need them to be in and that person was Mark Kitrick.

The accident that took my husband changed every aspect of my life. Until something like this happens, you have no idea the emotional toll it will take, as well as the economical and legal ramifications that result from such a sudden, violent incident.”

### A Tragic End to an Almost 40-year Marriage

Pam Mangan’s husband was on his way home from work when, through no fault of his own, the accident happened. He was killed instantly.

#### Legal Realities Set In

After the accident, Pam had even more to deal with than the loss of her life partner.

“Loss of income quickly became a reality. Added to that were the legal ramifications of the accident. They were complicated and seemed, at times, overwhelming. I knew I needed help, but had no idea where to turn.”

Then a close friend recommended Mark Kitrick. After meeting with him, Pam and her two sons agreed that he was the right person to guide them through the quagmire that is the legal system. “From the start, Mark Kitrick was patient and kind, and very protective.” Pam said. “That made a big difference.”

There were numerous papers to sign, painful depositions to give, and difficult decisions to make.

The family was advised up front that the law firm would not go after individuals, but would only negotiate with insurance companies for a fair and just settlement. That was fine with Pam and her sons. What followed was a series of settlement meetings and negotiations that went on for a year and a half.

“My sons and I received encouraging emails from Mark sent at all hours of the day and night, giving us updates, answering my questions, as well as the boys’ questions, and providing the encouragement I needed to continue,” Pam noted. “Mark let me know that he was always thinking and working on my case, and that he would not rest until it was fairly and favorably settled. There is no way for me to express how comforting that was, and how thankful we felt to know he was fighting for us.”

Pam was very satisfied with the final outcome. She was grateful the ordeal of the settlement was over, and that she was free to process the loss and grieve without worrying about the financial or legal issues.

“Mark Kitrick and his team handled my situation with understanding and compassion. They helped me navigate the uncertain waters of the legal system through the most difficult time in my life. I will never be able to thank them enough.”
